By the end of 2008 Today's Chamber, LLC had been contacted by other Chambers of Commerce around the United States to assist them with information, resources and website development. By the end of 2009 all of the listed Chambers of Commerce received a website enhancement that has benefited their members with unlimited exposure on the Internet (World Wide Web).

The new Chamber of Commerce websites have a online CMS (
Contact Management Systems

) and database management program. The enhancement came when each member could gain more exposure from the following services now offered from the website(s) at no added fee or cost:

- Post Unlimited Events with Images and Videos
- Post Unlimited Articles with Images and Videos
- Send and receive Private Messages to and from fellow member
- Direct Email Marketing to the Today's Chamber email database on a local, state wide, national and/or international level

Within only a few days members that have posted events and/or articles found new business coming from the Internet (World Wide Web) via enhanced SEO (Search Engine Optimization) on a local, state wide, national and/or international level.

In 2014 Today's Chamber, LLC opened the doors to support and develop other business associations that Mr. Hawkins founded over the years.

Business Associations
- 2014 International

- Business Ambassadors, LLC - **www.BusinessAmbassadors.org** (Leads Groups)

Online Media - 2014 International

- Quarterly Golf Review, LLC - www.QuarterlyGolfReview.com (Free Personal Lifetime Membership)

Business Media - 2014 All of the Chambers of Commerce and Business Associations that are managed by Today's Chamber, LLC can now offer a free Press Release to all of their business members on the Monthly Business Review, LLC (Free online media exposure)

All members of any of the listed Chambers of Commerce and Business Associations as of March. 1st 2014 receive a full University of Business Ambassadors, LLC (UofBA) membership at no added cost. The full business membership with the UofBA starts with local City, Statewide, National and Worldwide exposure by visiting www.MonthlyBusinessReview.com and registering their business.

The business must register on the website and at that time pick from the list of Business Associations (UofBA) has founded, for free. The business can pick one or up to all of the Business Associationa listed. Then the business will receive an email that they must click on to verify who they are. And with in the next business day they will receive the steps on how to post a Press Release with photos and/or videos. Their Press Release will be emailed to all of the members of the databases they picked. Example: If the business picked golf (300,000+) cigars (500,000+) or all for the total of just over 1,400,000+ business professional emails that have joined us over the years worldwide.

This is a value of $2,500.00 a year with the Monthly Business Review, LLC. Well as you can see membership with any Chamber of Comerce or Business Association that is managed by Today's Chamber, LLC has its benefits.
